Featured Consignor Kate Adams Valsing

Introducing her new line of products:
***Uncle Clarence's Garden Fresh Produce
and The Enchanted Kitchen***

Kate Adams Valsing of Shiremanstown PA is a 100% repurposed woman!

She was trained as a chef in San Francisco at the California Culinary Academy. Kate graduated with honors and worked in the food service industry for 15 years. Shortly after moving to Pennsylvania in 1998 she married her husband Andre. When Alex, their first son, was born Kate hung up her chef coat for the last time. In the following year the family included a set of twins.

Kate's three children have unleashed her imagination in a new way. Using the same quality, values and attention to details she used while cooking professionally, Kate now prepares food handmade from felt and fabric. Her tongue in cheek designs can be surprisingly realistic.

Uncle Clarence's Garden Fresh Vegetables features whole vegetables and fruit as they are found at the farmers market. The Enchanted Kitchen features bakery treats and "prepared meals" such as a full breakfast or pasta dinner.

*"Vegetables are from soil as rich as your imagination
Bakery treats are just as sweet as you dreams."*
